

Air Distributor CTE-AD6

Thank you for your purchase. The CTE Air Distributor is for haunted house or fun house use. The unit is designed to allow multiple air connections to a single air compressor.

CTE constructs products using high quality components and parts. The Air Distributor was designed and built to last many years. All CTE products carry a one (1) year warranty. The Air Distributor is equipped with a seven (7) gallon air reserve tank, regulator, steel pipe with Teflon seals, air gauge, safety valve and high quality fittings.

The CTE Air Distributor is shipped assembled and ready to use. The following section will guide you through a few simple steps to assist you in setting up the product. Please follow all instructions. They are important to the safety of everyone.

- 1. Unpack product and inspect for damage. If device is damaged, please contact CTE immediately.*
- 2. Connect a female air fitting from your air compressor hose to the male fitting on the rear of the Air Distributor.*
- 3. Power up your air compressor and allow it to fill.*
- 4. Connect the 3/8" airline to the quick connect on the regulator.*
- 5. Connect your pneumatic devices to the manifold block.*
- 6. Set the regulator on the Air Distributor to the setting that works best for your application. **The components used in the Air Distributor are rated for 100 PSI MAXIMUM. DO NOT EXCEED 100 PSI.***

You can connect additional 3/8" air line if needed.

WARNINGS:
IMPORTANT PLEASE READ
By purchasing this product you have agreed to the following:

- The Air Cannon is designed to be used by adults only
- Never exceed maximum pressure rating of 100 PSI.
- Always secure the unit to the ground or a stationary wall.
- Always disconnect power and air when not in use.
- Never connect or disconnect pneumatic devices with the Air Distributor manifold pressurized.

C-Tech Entertainment Products LLC, employees, suppliers and affiliates are not responsible and/or liable for any damage or injury caused by the Air Cannon

Limited Warranty for C-Tech Entertainment products:

C-Tech Entertainment ("CTE") provides the following Limited Warranty C-Tech Entertainment Products (excluding spare parts and consumables) distributed by CTE or through our authorized distribution channels:

CTE warrants that a C-Tech Entertainment Product, from the time of sale through the Limited Warranty period of one (1) year, will be free of defects in materials or workmanship and will conform to the performance specifications applicable for the particular C-Tech Entertainment Product.

All C-Tech Entertainment Products are subject to the Warranty Exclusions described below. A C-Tech Entertainment Product or component found to be defective will be repaired or replaced with new or refurbished product or component at CTE's option.

Purchasers may obtain warranty service and further information within the applicable Limited Warranty period for the C-Tech Entertainment Product purchased by calling (612) 735-7351 or by email CTEProducts@aol.com.

Proof of purchase is required to demonstrate eligibility for warranty service. Warranty claims must be made directly to C-Tech Entertainment.

Warranty Exclusions

Limited Warranty does not apply to a C-Tech Entertainment Product that has been subjected to physical damage after purchase, caused, for example, by casualty, accident, acts of God or transportation, including (a) by a failure to properly package and ship the product back to CTE for warranty service in accordance with CTE's packaging and Shipping Guidelines.; (b) from service, modification or repair not performed by CTE or a service provider authorized by CTE or by tampering, use of counterfeit or other non CTE approved components, assemblies, accessories, or modules; (c) by misuse, unreasonable handling or maintenance, mistreatment, operator error, failure to provide proper supervision or maintenance.
